Appointments

Jerry and Joanne Cote met with the Board to discuss the road near their property on Fay Martin Road. Some of the complaints were deep ditches, water running from road into yard, leaves and debris from the ditches come into the yard. Another problem, a culvert that was installed is directing the water back into their yard instead of back down the road. Harrington will contact the Road Agent to coordinate a time to visit the site with a selectman.

Meeting adjourned at 6:49 pm

Respectfully Submitted,

Susan Harrington
