Selectmen's Meeting Minutes

Attending: Sandra Gillis and Carol Jameson

The Board of Selectmen met to review and sign the MS 5. Wood to fax the necessary documents to Vachon & Clukay.

The Board set the Tax Rate. The State Board of Education allowed the DRA to use the 75/25 formula as was voted on in March 2013 to calculate the school portion of the tax rate. The Town of Troy petitioned the Department of Education to not allow this formula. This petition is what delayed the setting of the tax rate.

As there being no further business the meeting adjourned at 1:35pm.
