

Parks and Recreation Meeting Minutes

March 1, 2016

These minutes may be approved and/or amended at the following meeting.

- Meeting called to order by Karen at 6:09 p.m.
- Attending are Marcus Beauregard, Karen Daugherty, Susan Harrington, Blair Heise.

Reviewed January 2016 and February 2016 minutes. February will need to be amended. Motion to accept February minutes made by Karen, all in favor.

- Blair will contact Camp Takodah before we start work on the beach to possibly work together on the erosion issue.
- Blair will be donating candy for the Easter Egg hunt which takes place on March 19th at 12:00.
- Marcus will contact company in Westmoreland to arrange time to move the blue building to Amidon Park. He will also get a lock and until we can evaluate the space needed for Parks and Rec, only Parks and Rec will use the building.
- Karen submitted a survey for residents to complete to give us an idea of what they would like to see out of Parks and Rec. And also info regarding funding for baseball fields. After reviewing it was decided that this would not work for Amidon Park as the other ball fields are already established fields.
- Blair questioned budget numbers that appear in the Annual Report. Susan to follow up.
- Suggestion was made to set up a joint meeting with the Conservation Committee this spring to discuss plans for the Allen Lot.
- Karen received email regarding water testing done by DES. The testing would be no more than \$270.00 a year. Follow up about previous bills and

budget.

- Request was made to research the bidding process for mowing.
- Susan will follow up with Heidi to request survey on the website, budget question from the Annual Report, water testing bill, and mowing bids.

Meeting adjourned at 7:13 by Karen, 2nd by Susan

Respectfully submitted by,

Susan Harrington
