These minutes may be approved and/or amended at the following meeting.

- ✦ Meeting called to order by Karen at 6:08 p.m.
- ✦ Attending are Marcus Beauregard, Karen Daugherty, Katie Eliopoulos, Susan Harrington, Blair Heise.
- ✦ Public Guest—Kim Mattson

2015 Remaining Budget—Everyone in favor of purchasing \$1,000.00 worth of materials(hardpack) to be left at the beach and spread in the spring. All members in favor.

Christmas Party—This year we will show a movie(The Grinch that stole Christmas) at the library on December 14th at 6:00pm. There will be snacks and crafts. A suggestion to check with Camp Takodah to see if we could use their license/facilities.

Treasury—The current bank statement was presented to the commission.

Amidon Park/Allen Lot—Kim Mattson came in to talk about the Allen Lot and what the Municipal Building Committee has in mind for the property. The idea is to have a parking lot, playground, trails, etc. The land could be logged as soon as next year. It was also suggested that no play equipment should be placed behind the library. This cuts down on parking where the emergency buidings/offices are. Also with the Allen Lot in the works there is no reason to have two playgrounds.

Other---A suggestion was made to have an email list for any residents that would like to receive updates from the PRC.

Meeting adjourned at 7:17 pm. Karen motioned, Susan 2nd.
