

The Parks and Recreation Commission

These minutes may be approved and/or amended at the following meeting.

Minutes from October 7, 2014

Meeting called to order at 6:12 p.m. by Marcus

Members present are Marcus Beauregard, Elaine Moriarty, Naomi McWhirk, Katie Eliopoulos, Blair Heise, and Susan Harrington.

There is one amendment to the September minutes which is to add the above disclaimer regarding amendments.

Beach---Trimming delayed until Marcus can walk the boundaries with Jeff Taylor. The rope for the buoies must be purchased by December 30, 2014 to be in this year's budget. Marcus will be getting an inch and a half of gravel for parking lot.

Amidon Park----Per Blair, the swings may be backyard swings. To be compliant, swings need to be commercial and the chains need to be able to hold 250 lbs. We will also need additional material under the swings. Marcus made the motion that the large metal slide be removed due to safety reasons. Slide will be removed permanently or for repair. Elaine approved, Susan second the motion.

Other----The selectmen would like an inventory of items that the town owns, but are in our possession for example tarps, rope, etc. Katie is researching local sign makers for our bulletin board. Blair suggests a presentation should be made to the selectmen once we decide on size/location of bulletin board. Bulletin board will be in the 2015 budget. Marcus will be asking the selectmen for a warrant of \$10,000.00 or \$20,000.00 to clear trees for the old fairgrounds in the spring which will be for approximately 5 acres. Elaine will be doing a Halloween party on the 26th with homemade pizza and ice cream for approximately 20 to 43 kids. Total money spent for the 2014 budget is approximately \$507.00--\$440.00 for the beach and \$67.00 for recreation.
