Dear members of the Richmond Fire Department,

I'm writing to express both my sympathy for those affected by the house fire in Troy on March 31st, and my deep appreciation for the way your department responded.

In moments like these, when families are facing one of the worst days of their lives, it's your willingness to step in and risk your own lives without hesitation that truly defines what public service means. The courage, professionalism, and care you bring to work every day do not go unnoticed.

Please know how grateful I am for everything you do, not just in this instance, but every day.

If there is ever anything I can do to support your department, please know that I am always here.

Sincerely,

Denise Ricciardi

Senator Denise Ricciardi
